Foreword

After last week's games Kelmscott proved to themselves (including this critic) that they still are in with a chance however they cannot afford to lapse and must start beating sides above them on the ladder. Kalamunda by their defeat face a near impossible task but they are an improving side.

Canning are still unbeaten and accounted for Kwinana quite easily. They are a very good side much better than most thought. Kwinana after a good first up effort against Gosnells have fallen away.

Gosnells were most impressive in their victory over Mandurah however their big test comes in the next two weeks. Mandurah are improving and will provide some shocks in the coming matches.

Kenwick had their second win for the season and are building up into a good combination and will win more games when they produce 4 quarters of football. Thornlie are really down. Their is only one way up and that is for players and supporters to get right behind the club and start working and rebuilding.

Maddington beat Armadale but were not impressive, they played in patches and relied too much on Denis Cometti. Armadale battled valiantly but can only blame themselves, their kicking especially in the vital 3rd quarter was shocking. They now have Kelmscott after fourth place and cannot afford another loss this round.

TODAY'S GAMES:

Kalamunda v Armadale Kalamunda's bubble has burst. Armadale to win comfortably.

Kwinana v Kelmscott Kelmscott cannot afford to lose this. Kelmscott by 8 goals.

Gosnells v Canning Gosnells at home. Canning unbeaten. Gosnells by 3 goals.

Mandurah v Kenwick Mandurah will record their second win.

Maddington v Thornlie Maddington. Nudge Nudge. Wink Wink. Say no more.

UMPIRING THIS AUSTRALIAN GAME

In reply to the comments made under the heading "The Tigers" in the Football Gazette of May 22, 1977, I wish to say that this ridiculous and disgraceful attack on Umpires in the S.S.M.N.F.L. was totally uncalled for.

I was the observer at the game in question and wet weather or not the Field Umpire performed very creditably indeed.

At all times was he up with the game, his decisions were clear and to the point, leaving no doubt in my mind that he remains one of our top field umpires.

You make statements like "unbelievable lack of knowledge and interpretation of the laws of the game". This to me is a ridiculous statement no doubt you are one of the many thousands of footballers, administrators and spectators who have never opened a Law Book on Australian Rules.

At present the S.S.M.N.F.L. have 40 umpires — Field, Boundary and Goal, in training — dedicated to umpiring and improving this Australian game.

THE HAWKS

Congratulations to the players of all three teams for their fine victories last Sunday, when both the league and reserves had comfortable wins over Mandurah and the Under 19's registered a good victory against Maddington.

The League team seem to be improving with each game and coach Peter Dougan is pleased with the players application and performance and providing it is maintained we should perform well against Canning today. Best players in the league against Mandurah were Mark Smythe, Barry Woodhead, Ian Gibson, Murray Jones and Jim Kidd.

The Reserves performed well winning by 19 goals and in this game those who excelled were Des Rice, John Lennon, Ian Gimblett, Colin Castensen and Rick Martin. Coach Graham Dwyer was delighted with the result and believes this side is capable of taking off the flag this year.

The Under 19's are still undefeated and with their comfortable win against Maddington they mean to stay that way. All players performed well considering that the conditions were not ideal with the ground wet and slippery, with strong winds making play difficult.

Best players for the Under 19's were Vic West who won the Ampol Award, Colin Rand and Ross Leopold.

Congratulations to Greg Pelhams who notched up his 100th game for the club last week during the outstanding game against Thornlie.

Supporters, members and players are reminded to make an effort to attend the cabaret for the Under 19's on Saturday June 4th at the Percy Garrett Clubrooms. Tickets are only \$5.00 a double and can be obtained from Keith Davis or any of the committee. The attendance at last weeks players tea for the Under 19's was excellent and all concerned appreciate the time and advice given by Ivan Glucina.

MIGHTY ROYALS

In the reserves game last week, which must be described as only a training run, we trounced Thornlie by having 63 scoring shots, but only 26 of them were worth full points. Thornlie put up little resistance in a very one-sided game. The Edna and Sonny Robins award was won by "Bozo". He was one of the few players who thought percentage with every kick, and he had a lot of them. The other award for the seconds was won by Mike Strang for his efforts at full forward and centre half forward.

The league game was a bit better as spectacle, but again it was marred by kicking for goals. The Edna and Sonny Robins award was won by Fred Seinor. He played a terrific game against his old club and led the side well. It was good to see Kevin Wilson back in the best players. Kevin played well in the back line and stopped many of Thornlie's attacking moves. Ray Winduss played his usual good game and again was one of the best players.

There are a lot of players in the league team leaving it until the last minute to see the trainers before the game. If you need treatment before a game, see Frank about the start of the third quarter in the reserves game so that he has time to get you ready before the match starts.

For the information of the Armadale Football Club, we have the 1976 reserves premiership flag at Mills Park.

Raffle tickets for the surf cat are not being sold quickly enough. There are plenty of books still in the hands of the social committee. If you have sold your books already, please hand them in and maybe take another one.

Congratulations to Mr. and Mrs. Fred Seinor on their recent marriage. I'm sure all the players and members wish them all the best for the future and their marriage is a long and happy one. Congratulations to Alf Stal also, reaching his 21st birthday last week.

THE LIONS

What to say! Firstly, lets not lose hope or spirit, but come back this week with the old Lions roar, loud and clear and get the team back on its feet.

In the Reserves Game last week, worthy of a mention was Grandad Miller — true grit and determination. Younger players could take note of this performance, due to his clean living, no drink or wild women. Other better players Bob Mildwaters and Ron Bullingham. Flow on football and dedication is needed now.

League game — the team giving all it can under the notable guidance of coach Whyte, dedication as usual from Allan Osborne, a youngster Wayne Lloyd trying hard.

On the home front, as all young clubs know, (as we do), that the amount of support, help, sponsorship and encouragement needed is endless, so if you are able to offer assistance of any kind please shout out. Much appreciated!

SOCIAL NOTES:

Annual Ball tickets (July 8th) are available from Millers and committee.

LIONS OF THE WEEK

TALK OF BULL

The cold windy conditions at Armadale on Sunday were offset by both Reserves and League teams winning their respective games. The reserves were under pressure a few times but the need to win created good team work and without picking any one player they must be congratulated along with their Coach Jim Di Carlo for a game well won.

The League side ran onto the field at 2.25 p.m. all ready and prepared for a hard game against Armadale and that was what they recieved. In the first quarter Armadale kicking with the breeze were only just behind the Bulls. The second quarter was equally played by both sides, though at half time we saw the Bulls with a two goal lead. Armadale were immediately in attack in the third quarter and our boys found it hard to contain them and at three quarter time the Bulls were three points behind. Dennis Commetti giving his always inspiring coaching comments to the players at three quarter time

FOOTBALL GAZETTE 8

THE KNIGHTS NOTES

Last week our players began to show a vast improvement in their attitude to the way we should approach the game. The sconds played very good team football for three quarters of the game but relaxed in the last quarter. In the situation we were at the final break we should have steam rolled Canning but failed to do so. The League side tried hard all day but carried a few passengers who still need to improve their game and assist their team mates more often and for longer periods of time.

Best Players: Reserves — A. Baker (Best on the ground), G. Ross (Obviously glad to be off the back flank), P. Frost, T. REad and T. Lloyd Special thanks must go to the younger play in N. Roberts, M. Bradshaw, G. Barwi R. Haywood and G. Read for their efforts.

League: D. Roberts (relished the back pocket) G. Cukrov (Huge heart), M. Indich, J. McBride, J. Lange and D. McGlade.

All we can ask for is continued hard work and improvement and we'll win games.

'I hope both supporters and players noticed a few trees had been felled last week. That is the beginning of our clubrooms and the next few weeks should see big steps towards their completion.

Our thanks go to Canning for staying in cold conditions for drinks last week and we invite Kelmscott to remain behind today.

"NEVER SAY DIE".

KING ARTHUR

break, saw the team on the field and putting everything into it and although the score see sawed with a three point difference eventually the Bulls stamina proved too great for Armadale and at the sound of the sir found the Bulls victorious. Like the Reserves good team effort fellows but special mention must go to Mark Plattel, Murray Johnson and Colin Walker. Tony Grady received a bad knock on the side of the head and was placed in hospital but we wish you a quick recovery Tony.

JUNE 10TH is Cabaret Night at our clubrooms All players, members and supporters are invited to attend this excellent night. Cost is only \$1.00 and The Wish Bone shall entertain you. Members are asked not to forget to seel their raffle books and return same with money to Mick O'Halloran. The prizes are good and the cost is small but if the tickets are all sold the result for the club will be great. Members are reminded of our Happy Sunday 3rd July coming up, but more on that later.

KOUGARS

Today we welcome the Armadale club to artfield Park, to what should be a hard close game, as both clubs have recruited extensively this season. From our clubs point of view, we are looking to a much improved performance from our league team after disappointing displays two weeks in a row. We always display a better brand of football on our own home ground, and we hope that this week will be no exception — Another win is a must for our club at this stage of the season.

The reserves team cannot be unhappy with their performances in the two away games, recording a victory against Mandurah and suffering a narrow defeat against Kelmscott, a team in the four.

There is no doubt, that all our players, on both teams approach today's games in a positive, determined manner, we can record our second "double" for the season.

Raffle Tickets — Have you sold your book and returned the butts to Dave Kelly — if not, please do so by this Wednesday.

To all Armadale players, officials and supporters we extend a warm invitation to join us at our After Game Social which will be held as usual, in the Wattle Grove Hall, just west of the railway line in Welshpool Road, Wattle Grove — See You There.

WATO

THE TIGERS

Last week's game against Kwinana produced a predictable result with our league side running out comfortable winners and our seconds again failing and remaining as maiden performers in the competition.

An encouraging aspect from the league game was the improved form shown by the players brought up from the reserves to replace injured players in the league side. Owen Beckett, a junior of last season and playing his first league game deserves special mention, particularly when his opponent for the day was Frank Legena.

A nine goal last quarter effort from the seconds served to prove to our supporters that this side is certainly much better than their record thus far would indicate. Perhaps they can surprise us all by opening their account with a victory over the accomplished Gosnells team.

Best Players were — League — Peter Kimberley, Paul Polsen, Greg Green, Craig Nock, Bill Archibald.

Seconds: Mark Capstick, Gary Mellowship and Mick Fitzgerald.

Bad news of the week is that dynamic centreman John Vlahov must undergo an operation for a hernia. Along with Bob Barton, John will miss the rest of the season and his addition to our already long list of injured players makes the situation a critical one.

Today's game is the clash the competition has been waiting for — the two unbeaten sides meet. As stated, injuries make our task a difficult one, but the depth in our playing strength should overcome these adversities and shoot us four points clear on top of the ladder.

DEMONS DIGEST

Today we travel to Hartfield Park, home of the Kalamunda F.C., the "Kougars". Although we nearly always beat this club, they have always made us work flat out to do so, and I, sure today will be no exception.

At Gwynne Park last week, the League side gave Maddington a fight to the end (don't we always?) only to succumb in the last ten minutes of the game when they were, at that point, three points in front. Up to this point, there was nothing to separate the teams scorewise, and the Demons were the equal of their opponents. The loss of Ross Stephen late in the match was the turning point I feel, for he is by nature a relentless driver, and urges his team mates on and on. The man-of-the-match was that king of back pocket players, Peter (Perry Como) Wilkes. A highly skilled player who has a "thou shall not pass" attitude to back it up. Charlie Tenardi's performance served to prove my pre-season prediction for this player, with yet another first class ruckman's job, and he improves with every game. Maxie Van Helden found his true form in this game and treated the crowd to a first class eking display.

Congratulations to Gary Constantine and Alan "Hendo" Henderson on their promotion to the league 20 in this game. The lung power of the Demon supporters must have been music to the players ears!

The reserves, though losing, were not disgraced, apart from the first quarter when the Bulls virtually won the game. The remaining three quarters saw the Demons fight back hard and without any flagging, and saw a great effort from Brian Barry, followed closely by Phil "Fish" Heron, Joe Lutey, and Wayne Hand. Go to it this week fellas, and get back on that winning trail again!

The Under 18's went on the rampage at Thornlie last week and won by 18 goals. In a team that is showing improved teamwork, attitude, and straight kicking for goal, Paul Buzzo, Russell Stevens, and David Lane emerged as the best players for this game. Keep on Demonin' on!

The Under 16's also beat Thornlie, this time at Gwynne Park, by 7 goals. Coach Charlie Tenardi was most impressed with the performances of Colin Moulds, and Steve (the fonz) Fontana, in this game. The soccer-style support from this team for our league match was great fellas. AR-MA-DALE!

"Leevo" (we will STEAMROLL them!!) has a valid point I feel, when he expressed the opinion that the comments on central umpiring by the Bulldogs and Tigers last week merited support. I for one, am prepared to back Leevo on this point.

PEEGEE.

THE BULLDOGS

Last weeks winning double against Kalamunda was just what the Bulldogs needed. Once again the Gazette's editorial proves the Ghost Writer couldn't pick a winner in a one horse race.

Although the Reserves side won, the margin could have been greater if better use were made of the breeze. Congratulations however must go to the players for holding and outscoring Kalamunda when they had the breeze. To their credit, Kalamunda fought back in the last quarter to make the finish a close one. Best players were A. Stoma, T. Blenkinsop, A.P. Hansen, T. Bewsher and R. Flowers. The first round of the Joseph Charles Learmonth Duff Bumper Board ended last week. The winners, in order were, T. Bewsher, A.P. Hansen, I. Clark, A. Stoma, G. Turner and G. Dunne.

The league side started brilliantly. They outscored Kalamunda in the first quarter when the opposition had use of the breeze and then compiled a dozen goals in the second quarter. This was due to a lively half forward line and accurate passing of the ball. The second half developed into a mediocre brand of football. Best players were K. Barratt, S. Robinson, the Bradley brothers, Smoothex and the following division. The Kelmscott Hotel Bumper Board culminated in a keenly contested round. The winners in order were H. Mezger, Brian Andrijich, K. Barratt, Toby Hildebrandt, Frisco Bradley and Crabman Donnes.

Although the Under 18's have won five out of six matches, Coach Turner is still unhappy with the side's performances. All players must combine as a team and apply themselves for the full game.

Congratulations to Greg Dunne in playing his first game of colts for Perth and also the Slasher Mcay for progressing to seconds.

SOCIAL NOTES:

Monday June 6th. Fun day for the juniors at Quarry Park. Gosnells. All welcome.

Players and supporters are reminded that the raffle butts for the three-in-one are due in today and also that the Junior Mini-Bike Raffle tickets will be on sale shortly.

This weeks games against Kwinana have to be won for Kelmscott to stay within firing distance of the leaders. Players and supporters are urged to stay back at Kwinana to share a few drinks after the game.

OBITUARY — CLIVE FANCOTE. Sadly passed away last week and will be missed by all old Kelmscott members. Our deepest sympathy to all members of the family.
